3M
Aura™ 9205+
NIOSH TC-84A-8590

A high level of comfort and convenience.

3M™ Aura™ Particulate Respirator 9205+, N95

The 9205+ respirator combines comfort and convenience with its contoured nose panel and chin tab for ease of positioning, donning and adjustment. In addition, the Aura™ Respirator design features an embossed top panel that helps reduce the potential fogging of eyewear from warm, moist exhaled airflow. This particulate respirator provides all these benefits in an individually wrapped package for your convenience and protection from contamination before use.

The 3M™ Aura™ Particulate Respirator 9205+, N95

Features

Designed to direct exhaled air away from the nose panel

Embossed top panel helps reduce the potential fogging of eyewear from warm, moist exhaled airflow.

Sculpted top panel helps conform to nose and contours of the face and helps compatibility with eyewear.

Chin Tab

Designed for ease of positioning, donning and adjustment.

Flat-fold Design

Created for portability prior to use.

Individual Packaging

Helps protect the respirator from contamination before use.

This respirator can help reduce inhalation exposure to airborne biological particles. This respirator has not been classified as a class I medical device in Canada, nor has it been FDA cleared as a surgical mask in the U.S.A.

Potential Applications Include: Bagging, grinding, sanding, sawing, sweeping, woodworking and other dusty applications.

Ordering Information

Product	Stock Number	Product Description	Each Per Case
9205+	7100246592	3M™ Aura™ Particulate Respirator, 9205+, N95	440 Bulk

WARNING

These respirators help reduce exposures to certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of the authority having jurisdiction in your region and/or CSA Standard Z94.4 including training, user screening/medical assessment, and fit testing. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M Personal Safety Division Technical Service in Canada at 1-800-267-4414.
